BAYVIEW AERIE TO INSTALL

In keeping with custom, Albany Eagles, Bayview Aerie 2323, voted to hold an open meeting with the public cordially invited to attend this year's installation of new officers on Monday night, June 3 at Maccabee Hall, Marin and Kains Avenues in Albany.

Officers to be installed are: Junior Past Worthy President George Glavinovich; Worthy President Harold Olson; Worthy Vice-President, William Allen; Worthy Chaplain Matt Zack; Worthy Conductor Karl Isakson; Secretary Bert Townsend; Treasurer Winthrop Ferguson; Worthy Inside Guard Myron Minister; Worthy Outside Guard Tony Kalberer; Trustees John McDermott, William Donahue and Charles Woodstock.

Each newly installed officer of the Aerie will be called on for a short talk following the installation.

Explorer Post Of Boy Scouts Plan Whist Party

Marin School auditorium will be the scene of a whist party to be staged by Explorer Post No. 212, Boy Scouts of America, on Friday evening, June 7th.

Tickets for score-cards are now available from any member of the Post. The door prize will be a table model radio and it will not be necessary to be present to win. An abundance of table prizes are assured by the sponsoring organization, the Albany Eagles.

Proceeds for this event are to be spent for much needed camping equipment.

Post Advisor, Frank Gray, announced that any balance left after the purchase of equipment will go into a fund to finance a tentative exploration trip into a remote part of the state.

At the close of this portion of the meeting, those present will be entertained with a dance and refreshments will be served in the Aerie buffet room.

Marin Dads to Hold Dinner Dance

The Marin School Dads Club have completed plans for the annual Dads and Wives night to be held at Marin School, Saturday evening, June 8th.

This event will climax a successful year for the Club and will feature a complete turkey dinner with all the trimmings, installation of officers, and dancing in the school auditorium.

The Club's gift to the school, consisting of a complete sports library will be on display the evening of the party.

The dinner will be prepared by Chef Roy Lockhart, assisted by Herb Schorsch, Morris Stadium and Chas. Cummings. Serving will be done by daughters of the members and decorations will be provided by Dad George Frederickson.

New officers to be installed are James Sabine, President; William Dutton, Vice-President; Morris Stadium, Secretary, and Don Young, Treasurer. Mr. Max Bechtel, President of the California Council of Dads Clubs will be the installing officer.

CITY ENGINEER QUILTS TO TAKE CITY MANAGER'S POSITION IN DELANO

U. R. Grey, city engineer for the past three years, turned in his resignation at the City Council meeting this week. He will go to Delano, San Joaquin County, as city manager. The resignation becomes effective June 14.

Grey, prior to his appointment in Albany, served for many years in the Building Department in Berkeley.

Mayor Charles F. Graeber appointed Vernon G. Easter, member of the School Board, as his representative on the Park Planning and Zoning Commission, and Councilman Raymond F. Cleary named Charles Moore, 901 Masonic Ave., to replace George Glavinovich on the Civil Service Commission. Glavinovich resigned his post on the Commission when he ran for city attorney.

Mayor Graeber was empowered by the Council to forward telegrams to Senators, Congressmen and officials of Federal housing, protesting the cessation of Lanham Act funds on June 30 in connection with the operation of police and fire protection. Protests are based on additional services rendered necessary by the existence of Codornices Village, Federal housing project extending from Berkeley into Albany.

A hearing was set for June 6, at which time the Park Planning and Zoning Commission will hear protests, if any, against the proposed spot zoning of property located on San Pablo Ave., between Portland and Garfield Sts., for the establishment of a wholesale meat market. The petition for the rezoning was presented by J. B. Thelen several months ago.

Instead of rezoning the specific area asked by Thelen, the Council at that time passed an ordinance rezoning to wholesale an area of approximately six blocks. By referendum this ordinance was recalled by voters in the April election.

Albany Chief Issues Grass Fire Warning

With the approaching summer months and the advent of dry weather, Fire Chief Pimental urges all Albany residents to clear areas from around hedges to a distance of three feet and asks that rubbish and grass, piled against fences in vacant lots, be removed in order that there will be no fire hazard when the weed burners are at work.

He stated that ample warning of burning dates will be given housewives in advance so that the "Monday wash" may be cared for.

Junior Police To Hold Picnic At Lake Anza

The Junior Police Squad of Cornell School, composed of some 70 boys, will be treated to an all-day picnic at Lake Anza on Wednesday, May 29th.

Jointly sponsored by the Albany Police Department and the Cornell P.T.A., the picnic is now an established annual event. There will be games, hikes, swimming, and a fine "feed" prepared for the occasion.

Transportation will be by trucks furnished through the courtesy of Villa's Markets, Corey's Albany Garden Supply, and Griff's Steak House.

Mrs. Margaret Galvin of the P. T. A. and Officer Jerry Newhouse of the Albany Police Department are in charge of all arrangements.

MARIN DADS SOFTBALL TEAM WINS 5th GAME

Down at James Kenney, the Marin Dads displayed terrific batting power in defeating the El Cerrito Improvement Club by a score of 20 to 2 continuing their undisputed hold on first place in the Recreation Department Softball League. Pitcher Vandagriff and Catcher Gray were too much for the boys from El Cerrito and their teammates displayed some great fielding, completing three double plays and collecting 20 hits. Manager George Frederickson of the Dads Club has assembled a top rate club and states that the pressure is really on their team facing some real opposition in the last five weeks of play.

In the second game, the vastly improved Albany Fraternal Order of Eagles, Bayview Aerie 2323, de-

feated the Federal Public Housing employees by a score of 15 to 1. Pitcher Fay Bell was in rare form giving up 2 hits. Manager Joe Allington has run into a lot of tough luck during the first half of the league; however, the Eagles will prove plenty tough to beat in their remaining games.

Over at Memorial Park, the Albany Police and Firemen handed the El Cerrito Y.M.I. their first defeat of the season by a score of 9 to 4. Fireman Bill Hutt limited the Y.M.I. to 8 hits and was aided by his battery mate McSheehy who hit a home run with one aboard putting the game on ice for the Police and Firemen. Manager McClain's battery of Smith and Eggert for the Y.M.I. proved to be a good

No More Bachelors In Fire Department

There are no more bachelors in the Albany Fire Department as Fireman Jess Rippey, 25, announced to his fellow members his marriage to Miss Elma Mae Goodin, 20, of El Dorado Springs, Mo.

The new Mrs. Rippey is a former receptionist for the very popular Doctor Ayer of St. Joseph, Mo.

Mr. Rippey is a veteran of the North African and Sicilian invasions, and as a member of the First Infantry Division he was hospitalized when his division made the Normandy invasion but returned to action in time to make his entry into Cologne, Germany, with his outfit.

The Rippeys are making permanent residence in Albany and are quite happy about the lovely gift given them by members of the Fire Department.

HOLIDAY SCHEDULE FOR PLAY

Albany playgrounds to go on holiday schedule Thursday, Friday, Saturday and Sunday. Superintendent of Recreation Edwin S. Howell, stated that Memorial and Terrace Parks will be open from 9:30 a. m. to 6:00 p. m. Thursday through Sunday and that Cornell and Marin playgrounds will be open from 9:00 a. m. to 5:30 p. m. Thursday through Saturday, closed Sunday. Pre-school Play Center will close Wednesday night and will reopen Monday, June 3.

Howell pointed out that due to the limited number of picnic facilities, reservations should be made in advance and further stated that the office will be closed Memorial Day.

Memorial Day weekend finds activities in the nature of physical and social for children and adults at all parks and playgrounds. Saturday night, the Teen-Age Center will be open from 7:00 to 11:00 for games and dancing. Sunday morning the public is invited to some real ball games when the Police and Firemen meet the Berkeley Y.M.I. at 10:15 a. m. at Memorial Park and the Albany Exchange Club versus the El Cerrito Y.M.I. for second place honors in the softball league at 11:40. Down at James Kenney, the Albany Eagles play the El Cerrito Improvement Club at 10:15 a. m. and the highly favored Marin Dads tangle with the Maccabees at 11:40. Sunday afternoon, the Albany Post 292 American Legion Junior Baseball team plays the Alameda nine at Albany's Memorial Park at 2:00 p. m. Manager Gene Houser has promised a real ball game for the fans.

Legion Junior Baseball Teams To Start Play

Albany Post No. 292 American Legion Junior Baseball team will start its play in the 10th District Junior Ball League Thursday at Bush Rod Park in Oakland, when the Albany team plays the team from San Leandro Post No. 117. This game starting at 12:30 p. m.

There will be five Legion League games played at Bush Rod Park Memorial Day, the first starting at 10:30 a. m. and the afternoon games at 2 p. m.

On Saturday, June 1st the Albany team journeys to Hayward to play Hayward Post No. 68 Junior team. This game will be played at the Hayward high school and will start at 2 p. m. Eugene Houser the coach and manager of the Albany team has planned to go to Hayward Saturday with the rooters and team to leave the Albany Memorial Building at 12:30 p. m.

Albany Junior ball team will play a home game Sunday afternoon, June 2nd, starting at 2 p. m. in the Albany Memorial Park with the team of Post No. 9 from Alameda. Every baseball fan in Albany is extended a cordial invitation to witness this game and root for the Albany boys.

The Albany team is made up of the pick of the star ball players on the Albany, St. Mary's and El Cerrito High Schools and in selecting the Albany Post team, Houser had the entire support from the athletic departments of the three high schools and particularly the baseball coaches.

BOWMAN TO LEAD IN BOND SALE

W. W. Crocker, chairman of the Northern California U. S. Savings Bonds Division, today announced that W. J. Bowman, President of Albany Federal Savings and Loan Association, will head the campaign in this city to stimulate the sale of Savings Bonds during the national campaign, June 6 to July 4.

Mr. Bowman, who took a prominent part in the sale of bonds during the war, is a member of Mr. Crocker's permanent Advisory Committee, composed of civic leaders through the state.

The national campaign will not include an organized solicitation drive such as featured the War Loan days. Instead, Mr. Bowman explained, its purpose will be to emphasize need for continued investment of excess funds while consumer goods are scarce; help the warding-off of runaway inflation, and to stress the benefits of continued systematic savings by millions of Americans.

Opening the drive, on June 6, will mark the second anniversary of the invasion of France.

Houser says he expects to win the Sunday game because of the two games previously played, the boys will have their team play signals and tricks perfected and the Albany boys also want to take the Alameda boys to erase the defeat by Albany by Alameda in 1945 by the score of 8 to 10.

LOANS TO BUSINESS MEN

When you see Albany merchants' shelves stocked with new merchandise... when you see new fixtures and equipment going into places of business... when you see those places being enlarged and improved—you can be pretty sure that bank services enter into the picture, for borrowing through a bank gets these things done.

The Mechanics Bank has many such loans on its books which are accomplishing these results. The funds from each loan not only help the borrower, but keep Albany moving ahead through the purchase of products and services here.

If you are waiting for a telephone... you may be certain that getting one to you just as rapidly as possible has top priority in our plans. We are working full speed on buildings, cables, switchboards and other equipment needed to provide service for everyone who is waiting... and to make service even better for every telephone user.

If you are a farmer... you may expect the extension of telephone service in rural areas. New methods and new developments will be used, including high-strength steel wire, power line carrier equipment and possibly radio for remotest locations. You may also expect fewer parties on the lines, fewer rings for other parties and other service improvements.

If you use Long Distance... you may look forward to an even better and faster service than ever before. We are working on our part of a nation-wide coaxial cable network for long distance calls and television transmission. Equipment will be provided for nation-wide operator dialing of toll and long distance calls and for customer dialing of toll calls between some communities.

LOOK to Greyhound first for LOW COST TRAVEL

No other form of public transportation is as low in cost per mile as the modern intercity bus. The low fares people of California enjoy today are the direct product of Greyhound leadership.

Year after year Greyhound has consistently pioneered one improvement after another in bus service and equipment...at the same time steadily reducing the price you pay for a ticket.

It actually costs more to operate your car than to go by Greyhound! This Greyhound "first" is one of the outstanding achievements in the history of transportation.

Today, while the cost of almost everything else you buy is going up, Greyhound continues to give you convenient, better-than-ever intercommunity transportation service at lower fares than ever before.

YES, we must have that
larger WATER HEATER!

It pays to be emphatic and insist on having a full-size water heater for your home. That means saying—"no, no" to the old 20 gallon size storage heater and buying a 30, 40 or 50 gallon water heater to serve your family needs.

The new automatic washing machine or dishwasher you are planning to buy, will call for extra hot water. Buy a water heater with extra storage capacity to give your home uninterrupted hot water service at all times.

combination; however, the loss of third baseman Kendall, injured in a previous game, and Marcus, in the field, proved fatal for the Y. M. I. against the tight defense of the Police and Firemen. It was the fastest game of the league requiring only 40 minutes to complete the full seven innings of play.

In the second game, the Berkeley Y.M.I. defeated the Albany Maccabees by a score of 10 to 5. The game was played under protest when Manager Gould for the Maccabees claimed that the Berkeley Y.M.I. players did not conform to the league rules for eligibility of players. Protest hearing has been set for Wednesday night.

The Albany Exchanges known as the "Albany Bums" drew a bye and retained their hold on second place with the El Cerrito Y.M.I. Both teams meet Sunday and should prove a real ball game.

Pre-School Group Holds 'Club' Party

An enjoyable party was given by the Albany Pre-School Mothers' Club on Friday evening, May 24th at the Albany Recreation Center. The party was in honor of the new members of the club. Each "old mother" had as her guest one of the "new mothers," whom she introduced to the older members. For the evening of the party, the school building was transformed magically into a night club, candlelit and flower-decorated. A pot-luck supper was served buffet style and guests were seated at small tables covered with gay, checked tablecloths.

After supper a program of entertainment was presented with Mrs. Rosemary Paine acting as "Emcee." Community singing was lead by Mrs. Viola Moriarity with Mrs. Ruth Lane at the piano. Mrs. Marian Hensch gave two amusing musical readings, also accompanied by Mrs. Lane. Mrs. Dorothy Burke, an accomplished violinist, played three selections. She was accompanied by Mrs. Jean Hargrove at the piano.

The rest of the evening was devoted to Dutch Whist.

JOHN J. COX

for CORONER

The Office of Coroner Is NOT a Doctor's Job!

Under the law, the Coroner is prohibited from performing autopsies, or post-mortems. Who does perform autopsies, then, in case of tragic, accidental, or unexplained deaths? In Alameda County there are two AUTOPSY SURGEONS, or medical examiners, both under civil service. It is these doctors who ascertain causes of death and report their findings to the coroner. The office of Coroner is NOT a doctor's job!

JOHN J. COX

for CORONER

The Coroner Should Be An UNDERTAKER!

For 24 years, until 1938, the Coroner's office in Alameda County was run most efficiently by an undertaker. There are 58 counties in California. ONLY THREE of these counties have doctors as coroners. The counties with undertakers as coroners find those offices most ably handled. An experienced undertaker will bring to this office the kindness and proper approach which people appreciate when confronted with sudden tragedy.

JOHN J. COX

for CORONER

The Coroner Is Paid for A Full-Time Job!

And John J. Cox will work full-time as Coroner! He will administer his duties fairly, impartially, sternly opposing favoritism and lax methods that are sure to creep in when a public official makes a side-line of the office for which he draws full-time pay. Mr. Cox will make personal investigation in accident and criminal cases, not leaving his duties to subordinates, as under the present system.

JOHN J. COX

for CORONER

Get Experience -- Not Experiments

With 25 years' experience as an undertaker, John J. Cox will bring to the office of Coroner the kindness and gentle consideration, and the integrity the importance of this position demands. Mr. Cox was born in Oakland 48 years ago. He has always taken an active part in civic and fraternal affairs. He is married and has seven children, including triplets.

John J. Cox

Is Supported by Leaders of Both Major Parties

Mr. Cox is now secretary of the California State Board of Funeral Directors and Embalmers, having been appointed to that office by former Governor Olson (a Democrat) in 1939, and reappointed by Governor Warren (a Republican) in 1943. Since the office of Coroner is a non-partisan office, it is logical that a man like John J. Cox be supported by leaders of both major parties.

John J. Cox

Is Sponsored by Many Albany Citizens

Many prominent citizens of Albany are active in support of John J. Cox for Coroner. Among the first to rally to his support were Joseph Villa, Ila Mae Wilson, Beatrice Raymond, Oliver Nelson, Mary Ann Loos, George Loos, and of course, those who are sponsoring this advertisement, Harold W. and May Ellis Olson.
